Subject: Clarification Request CLR-2026-0147 – Regional Fleet Maintenance Services

Dear Jordan Lee,

Northwind Procurement Office is reviewing the response submitted by Acme Industrial Systems Ltd. for RFP-2026-091, Regional Fleet Maintenance Services.

To support the ongoing review, please provide the requested written clarifications by the response deadline stated below. This request is limited to the identified items and does not amend the solicitation.

Please provide a written response to the clarification items below by **5:00 p.m. Atlantic Time on September 26, 2026**. Please identify the request ID and relevant question ID in each response.

ID	Source reference	Clarification requested	Requested response
Q-01	RFP §4.2	Please confirm whether the proposed after-hours response model includes on-site dispatch within the stated service area.	Written confirmation
Q-02	Pricing Schedule B	Please reconcile the variance between the annual preventive-maintenance total and the sum of the monthly line items.	Revised schedule or explanation

Please submit your response through the established procurement communication channel and identify CLR-2026-0147 and the applicable question ID for each response. Direct procedural questions to the contact listed below.

Sincerely,
Alex Morgan
Senior Procurement Manager
